June 2017

Dear Fair Haven Families,

Since the 2011-12 school year, New Jersey's School Performance Reports have provided communities with information on schoolwide academic achievement, demographics and school climate. The School Performance Reports were developed with, and are continually improved by, the feedback from stakeholders like you.

The New Jersey Department of Education is again encouraging your input on a statewide survey designed to improve the readability and usability of these reports.

Please access the [brief online survey](#) to describe if and how you use the reports, what data is most important to you when looking at school performance, and how the data can be presented in a usable, understandable manner.

The survey should take less than 10 minutes, and responses will not be tracked or identified individually.

We also invite you to check New Jersey's [School Performance Reports online](#) to view the latest reports.

Thank you for your interest in helping New Jersey improve our School Performance Reports.

Sincerely,

Sean McNeil
Superintendent
