

**R-FH Student Directory  
Incoming Student Information Form**

The P.T.S.A. prepares the R-FH Student Directory every year. The Directory includes an entry for each student, listing the student's name, e-mail address, parent's name, address, and up to two phone numbers. The P.T.S.A. can only include your information if YOU provide it. We do not use the school records since they do not belong to us.

**If this form is not returned**, only the student's name will be listed in the Directory even if you have an older student already at R-FH. Returning the form gives the P.T.S.A. permission to include the information you provide.

**If you prefer that your phone number NOT be listed in the Directory**, make a note in the space below.

---
